

**Remarks**

Claims 1, 2, 4-16, 18-23, and 25-29 are pending and allowed.

The Examiner's amendment to claims 20 and 23 inadvertently introduced an obvious error—the insertion of "4 to 35% MgO" rather than "3 to 35% MgO." The present amendment to these claims corrects this error. No new matter is introduced

Entry of the foregoing amendment before issuance of a patent on the present application is respectfully solicited.

Respectfully submitted,

---
